Sida's role in the 2030 Agenda

- Adapt development cooperation to support implementation in other countries.
- International cooperation for implementation (UN, WB, EU...)
- Support the government through involving Swedish stakeholders in the public sector, academia, civil society and business.
- Increase knowledge among the general public through communication activities and partnerships.

“We feel secure
and safe here in the
camp, and this is
the most important
thing for a refugee.”
